NUMBER: MEM-055511.0

ISSUER: Vivian Ekchian, Deputy Superintendent
       Office of the Deputy Superintendent

       Alvaro Cortés, Senior Executive Director
       Beyond the Bell Branch

DATE: August 29, 2018

PURPOSE: The purpose of this Memorandum is to inform school administrators about the Beyond the Bell – Youth Services After-School Program operation and procedures for processing new unclassified assignments. Information is to be included in a parent bulletin or school-to-home communication at the beginning of the school year and, thereafter, as often as deemed necessary.

MAJOR CHANGES: This Memorandum replaces MEM-6879.1 titled “Beyond the Bell Branch: Youth Services Operational Information” dated August 21, 2017. Dates for the 2018-19 fiscal year have been updated, as well as the optional costs for additional staff on, Attachment A.

INSTRUCTIONS: OPERATIONAL INFORMATION

A. Hours of Operation and Additional Staff Time Funding Option (Attachment A)

B. Student Participation Guidelines

The Los Angeles Unified School District’s Beyond the Bell - Youth Services Section provides supervised enrichment, fitness, sport, and educational activities each day after school at no charge to students in grades 2 through 8. This is not a child care program. It is a “permissive” program in accordance with the Before and After-School Program Application/Agreement (Attachment B). Participation is a privilege.

Parents must sign an agreement with the Youth Services After-School Program prior to their child being eligible to participate (Attachment B). Students must also conduct themselves in a manner that is consistent with the rules and regulations of the school and playground.

The Youth Services After-School Program requires students to sign-in each time they come to the program.
Furthermore, a daily “homework time” is included in the Youth Services After-School Program during the last hour. Students will be provided a designated area to work on their homework. Staff will help students to stay on task and ensure the homework is available for parents and guardians to check and review with their children.

The Beyond the Bell – Youth Services After-School Program is open only to LAUSD students who attend the school where the program is located or live in the residential area and attend another LAUSD school, i.e. magnet students, etc. (Note: Independent charter and private school students are not eligible). Middle and high school students may not participate at elementary school sites. Elementary and high school students may not participate at middle school sites. Please note that the Beyond the Bell – Youth Services After-School Program closes promptly at the posted time. It is the responsibility of the parent/guardian to provide appropriate supervision for his/her child(ren) at the close of the program to ensure their safety and well-being.

C. Unattended/Late Children

The following procedures ensure continuous supervision of children left unattended when the playground closes:

- The Beyond the Bell offices remain open to support staff until the last child leaves the playground. Playground staff will attempt to contact individuals listed on the school emergency card and emergency contact/release information section.
- At the conclusion of one hour of unsuccessful attempts to contact and reunite the child with the parent or designee, a child protective agency (Sheriff, LAPD, etc.) is contacted to assume responsibility for the supervision and safety of the child.
- The school administrator and School Police are notified of any child taken into protective custody.

D. Parent/Guardian Responsibilities

It is the responsibility of the parent/guardian to:

- Ensure that all emergency contact information (school emergency card and emergency contact/release information section) is current and accurate.
- Complete the Before and After-School Program Application/Agreement (Attachment B).
- List the names of several responsible adults who are authorized to pick-up their child(ren) from school.
• Provide direction to their child(ren) as to when they should leave the program and how they are to proceed (i.e. walk home, pick up by parent, etc.).
• If they are unable to do so themselves, and their child(ren) do not leave the program prior to the closing time of the Youth Services Program, parents need to make arrangements with one of the adults listed on the school emergency card and/or the emergency contact/release information to pick up their child(ren). Note: Students remaining after the closing time will only be released to authorized adults with appropriate photo identification.

F. Facility (School) Access

• Beyond the Bell - Youth Services playground staff must have direct access to an on-site telephone during all program hours. Lack of access will result in rescheduling an earlier closing of the program to 15 minutes prior to the closing of the school’s main office.
• Beyond the Bell - Youth Services playground staff must have access to an indoor room during periods of inclement weather, emergency situations (e.g. lock-down), etc.
• Beyond the Bell - Youth Services playground staff must have access to school emergency supplies in the event that a major emergency impacts the school.

Keys assigned to any Beyond the Bell staff member should be the most restrictive available (i.e. key that only opens auditorium, specific classroom(s), gymnasium, and/or bathrooms, etc.). At no time, should Beyond the Bell staff be given a school’s master key. (BUL-2374.2, “School Site Key Control” dated December 23, 2009).

The site administrator (or designee) is the “key administrator.” As such, Beyond the Bell is not responsible for lost, stolen, misplaced keys or the rekeying of any facilities. Beyond the Bell employees are LAUSD employees. They are trained by Beyond the Bell to follow the site and key administrator’s instructions. Beyond the Bell reinforces this guidance:

• Do not give out an “A” key or master key
• Make sure there is no school identifying information on the keys
• Do not give the keys to any other person/student
• Carry keys at all times
• Return/store keys daily as instructed by key administrator

G. Procedure for Processing New Employees

Beyond the Bell Regional Offices also process unclassified school personnel assignments. Schools may make appointments at any location that is convenient to the applicant.

BEFORE AND AFTER-SCHOOL PROGRAM APPLICATION/AGREEMENT

The Beyond the Bell – Youth Services After-School Program of organized games, enrichment activities, nutrition, physical fitness and homework time are provided for those students capable of independent supervision to, from, and at the playground site. The Beyond the Bell Youth Services After-School Program is not a child care program; it is a permissive program. Students sign in and leave the program by their own volition. Children are expected to conduct themselves appropriately and may lose the opportunity to participate if their behavior is disruptive. The elementary program is for students in elementary grades (grades 2 through 5/6) and the middle school program is for students in middle school grades (grades 6 through 8).

Parents and guardians are reminded that they must arrange ahead of time for how their child will be reunited with them at the conclusion of the program. Any child not picked up or allowed to walk home on their own prior to the conclusion of the program will be considered “unattended” and supervising personnel will begin “late child” procedures. If attempts to reunite the child with an authorized adult fail, supervising personnel will contact the Local Law Enforcement Agency for assistance and to take custody of the child. Failure to consistently arrange for appropriate supervision of your child by the conclusion of the program will result in the student losing the privilege of participating in the program. For emergency purposes, parents/guardians are required to complete and maintain all phone numbers and contact information.

The Beyond the Bell Youth Services After-School Program is CLOSED on all non-instructional days (weekends, holidays, pupil-free days, etc.). Playground services are only available during scheduled hours.

In order for a student to be approved to participate, the Before and After-School Program Application/Agreement must be completed. Once completed and authorized by the Youth Services staff person on duty, the student may participate.

The persons responsible for the day-to-day operation of the Beyond the Bell Youth Services After-School Program can be reached by calling: Youth Development Program (YDP) & Youth Services at YDP sites - (818) 587-4300; Elementary Schools (other than YDP sites) – (310) 515-3010; Middle Schools – (213) 633-3500.

Acknowledgement:
I agree to the following rules and guidelines for my child to be eligible to participate in the Beyond the Bell – Youth Services After-School Program:

• My child is in grades 2 through 8 at an LAUSD school who lives in the residential area or attends another LAUSD school, i.e. magnet students, etc. (Note: Independent charter and private school students are not eligible).
• My child has been instructed by me to go directly from his/her classroom at school dismissal time to the designated supervised area for the Beyond the Bell – Youth Services After-School Program and to sign in at the designated location upon arrival.
• My child has been instructed by me that s/he must remain in the area supervised by the Beyond the Bell – Youth Services Program Supervisor (“coach”) while participating in the program.
• My child will be directed by me daily when s/he should leave the Beyond the Bell – Youth Services After-School Program for the day.
• My child will be directed by me daily on where s/he are to go immediately after leaving the Beyond the Bell – Youth Services After-School Program (i.e. home, designated location, etc.).
• My child has been informed and instructed by me that once s/he leaves the Beyond the Bell – Youth Services After-School Program, s/he may not return for the remainder of the day.
• I understand that if my child does not get picked-up by an authorized adult or leave by h/his own volition prior to the 6:00 p.m. closing time, staff will initiate late child procedures: At the conclusion of one hour of unsuccessful attempts to contact and reunite the child with the parent or designee, a child protective agency is contacted to assume responsibility for the supervision and safety of the child.
• I understand that participation in the Beyond the Bell – Youth Services After-School Program is a privilege and failure by my son/daughter to abide by all rules may result in the loss of this privilege.
• I have provided more than one contact number and the names of additional adults who are authorized to pick up my child in case of an emergency, or to be reached if my child becomes “unattended” and “late child” procedures take effect. El Programa Beyond the Bell – Youth Services After-School Program no es un programa de cuidado infantil. Es un programa al que se puede asistir a través de un permiso. Se espera que los niños se conduzcan de manera apropiada y pueden perder la oportunidad de participar si tiene mala conducta. El programa de primaria es para los estudiantes de los grados de primaria (del 2º al 5º/6º) y el programa de la escuela secundaria es para los estudiantes en los grados de secundaria (del 6º al 8º).

A los padres y tutores se les recuerda que deben coordinar con anticipación el lugar en donde recogerán a su hijo/a cuando termine el programa. Todo niño que no sea recogido o al que no se le permita caminar de regreso a su casa solo antes de que termine el programa se considerará “sin supervisión” y el personal de supervisión comenzará a llevar a cabo los procedimientos de “niño/a al que se le recoge tarde”. El no organizar habitualmente la supervisión adecuada de su hijo/a para cuando termine el programa dará como resultado que el estudiante pierda el privilegio de participar en el programa. 1) **BTB “Comprehensive After-School Programs” have three components:**
   - Academic Enrichment
   - Educational Enrichment
